PICK AN INSPIRATION: EXPEDITIONS INTO YOUNG PUPPET THEATRE 2024

AT WESTFLÜGEL LEIPZIG

Dear students and graduates,

We invite you to apply with your performance for this year's EXPEDITIONS INTO YOUNG PUPPET THEATRE festival "PICK AN INSPIRATION".

The EXPEDITIONS INTO YOUNG PUPPET THEATRE is an annual two-week festival for newcomers that takes place at Westflügel Leipzig theatre with a supporting programme of theoretical and practical workshops, discussion groups, open stage and much more, to which you are of course also invited if you are not showing your own performance.

You are also welcome to apply with short formats or pieces that are still in development at the moment. The performances take place throughout the house, i.e. on the stage in the ballroom, but also in the bar and, depending on the show/format, in other places such as the cellar.

This year the festival will take place from **October 17th to 27th**.

We look forward to receiving your applications with the following content:

- performance description and length, if available with photos / video
- techrider
- number of people involved
- estimated travel expenses

Simply send your application to info@westfluegel.de by the **31st of May 2024**.

We will also be happy to answer any questions at this address.

Please also tell us if you are only free during one of the weekends mentioned above.

We're looking forward to your applications and send our best regards from Leipzig!
